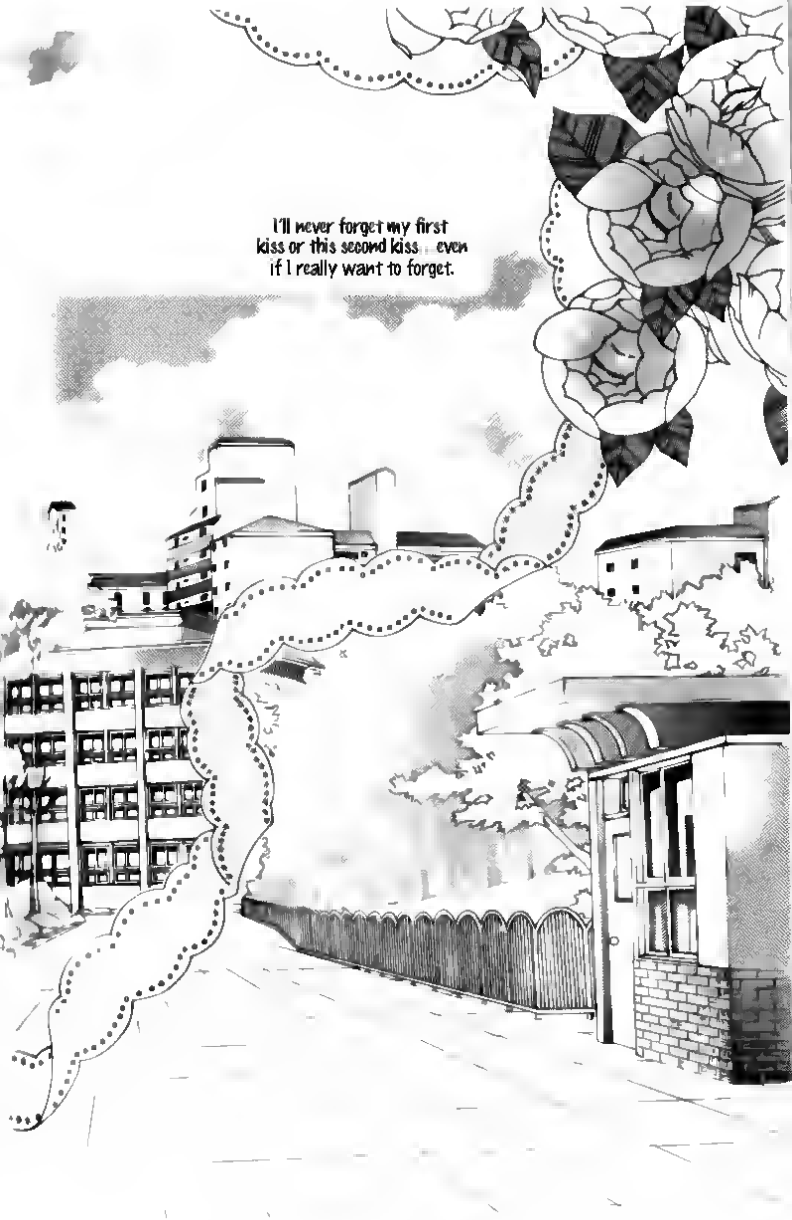
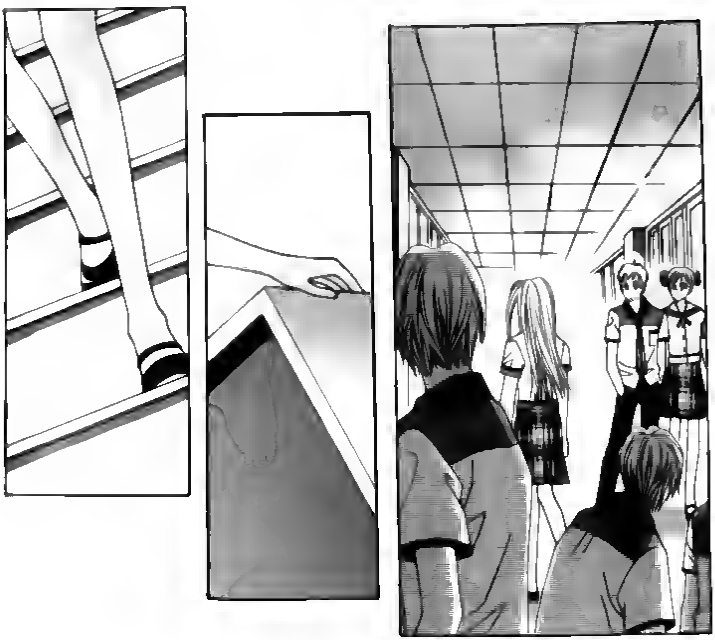
My first kiss was surprising but it was also very sweet.
The second kiss was stronger...
...it brought much more sensation.



I'll never forget my first kiss or this second kiss... even if I really want to forget.

To me, it's a memory I don't want to remember It's a feeling I want to erase
My lips, my feelings, my soul
I have to quickly erase everything and move away from his proximity.....

and my feelings too



ARE YOU CRYING, SOO YUNG?
SOO YUNG...

I want to forget everything quickly.
.....
RUSTLING

IT'S RAINING MONEY!!!!

SHUSH! IT'S A SECRET. I'M NOT TOTALLY SURE.
Did that happen to him?
He must have suffered a lot. That's why his personality is not normal.
He's not a bad person...
Maybe the way I acted yesterday hurt him.
It was my fault.
